Sir,

With reference to your letter No.I.C.5349/I & C 71-22-11 of the 27th February 1923, I have the honour to state that the building -- which I had in view and which I expected would be vacant by the first of this month as referred to in my letter No.126 C of the 9th Febry 23 was the premises occupied by Messrs. Whiteway Laidlaw & Co., Ltd., The owners of the premises, Messrs. C. Abdulla & Co., want to occupy the buildings themselves and I have not been able to get any other suitable building, the only other two buildings which may be taken for the --- location of the combined Sales Room for all the manufactures of the -- Department and are the old Cash Bazaar Buildings and the premises -- originally occupied by Messrs. Higginbothams Ltd. As regards these the latter cannot be secured on anything like a long lease as the owners have suffered considerable loss and are anxious to dispose of the---- property and are not therefore willing to bind themselves to any lease. As regards the former premises the buildings are too large for our -- purpose and the rental will be very high. It is not very desirable to take only a portion of the premises as in that case we shall not have proper control with regard to watch and ward. There is also a certain amount of prejudice among European purchasers against the building for certain reasons. It is also learnt that a good show room now occupied by Messrs. Spinker & Co., and belonging to Mr.Andrews is likely to fall vacant and if this is so, I shall address Government later on. For the present I propose retaining the Arts & Crafts Depot in the present place

place where it is and enter into temporary arrangements with Mr. Frank Abraham to stock our goods, advertise and effect sales. Mr. Abraham has since moved his place of business to a spacious house formerly occupied by Dr. Smeeth and he has seen the stock that we hold and -- considers that he could effect good sales thereon and he is agreeable to take up the agency provided we consent to give him 5 per cent --- commission on sales and a house rental of Rs.60/-. He has reserved a space in the "Daily Post" for advertising and he promises to insert advertisements in that space at his own cost. This arrangement may be tried for a period of six months and in the meanwhile I shall be on the look-out for a suitable building for the location of the Arts & Crafts Depot and Sales room of other articles manufactured by the -- Depot and submit detailed proposals. I have in anticipation of sanction given effect to the arrangements with Mr. Abraham for a period of 3 months.

Sir,

With reference to correspondence ending with your reminder No: IC.7537 dated 8-6-1923 regarding the submission of my further proposals in the matter of the arrangements to be made for the sale of goods manufactured by this Department, I have the honour to state that no building is as yet available for having a continued Salesroom in which all the articles which the Department have to sell may be exhibited as directed by Government in their letter No: 4052-3/9c 71-22 dated 26-12-1922.

The only building that would suit this purpose which may-became vacant is the one next to the Oriental Life Insurance Office now occupied by Messrs: Spinker & Co., It has not as yet been vacated. A new building is being constructed by the Oriental Life Insurance Office and I understand that we may be able to get a good show room in that building. I am waiting for the site plan. It is not therefore desirable to commit ourselves to any arrangement at this stage. I shall submit necessary proposals as soon as

as a suitable building can be found.

As regards the arrangements made with Messrs: Abraham & Co., regarding the sale of the articles manufactured by the Art Workshop the Firm has been able to sell a good deal of the accumulated stock. They have a well-to-do clientele and are able to attract customers better than any other agency. In these circumstances, I have continued the arrangement already made with them. I - - request approval of Government to continue the same to the end of December 1923 by which time I expect to be able to formulate - - final proposals.

SIR,

With reference to correspondence ending with your letter No:IC. 4401/I&C.71-22 of the 22nd January 1924, I have the honour to state that one of my proposals to have a proper selling agency for both the Arts and Crafts Institute and Government Art Workshop, could not be submitted as no suitable building could be had yet. I anticipated that the Oriental Life Insurance Building would have been completed by this time when they had promised to give us the first refusal for a set of rooms. The building is not likely to be completed before the end of the current official year and this matter can only be taken up then. In the meanwhile, I have modified the terms of arrangements entered into with Messrs: Frank Abraham & Co to conduct our sales. We were hitherto giving him a commission of 5 per cent on sales together with a monthly rental of Rs 50/= per month. I have now arranged not to pay any recurring charges and have consented to give him a slightly enhanced rate of commission, he continuing to do all the advertisement as before and to keep the articles in his show room. In view of the fact that this does not entail any cost to Government this arrangement may be permitted to continue till such time as we are able to find a suitable building to house both the Arts and Crafts Institute and the Government Arts Workshop. Moreover all the furniture that is manufactured at present is executed to [illegible] and the stock is not therefore added to.

GOVERNMENT OF MYSORE,
DEPARTMENT OF INDUSTRIES AND COMMERCE.

File No. 71-22 Part 20
OFFICE OF THE DIRECTOR,
Dated, Bangalore, the 13th May 1924

FROM

P. G. D'SOUZA, ESQ., B.A., B.L.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To 2pc 16 MAY 1924 G. D. C. SIR,

GEN. & REV. 16 MAY 1924 INDUSTRIES & COMMERCE BRANCH

The Secretary to Government,
Revenue Department,
Bangalore.

With reference to Government letter No.IC.6623/I&C 71-22-19 of 25th April 1924, enquiring what the enhanced rate of commission proposed to be now given to Mr. Frank Abraham & Co., for the sale of the Art Workshop articles and how it is more advantageous than the present existing arrangements, I have the honour to state that since April 1923 when the sales were entrusted to the firm, the total sales amounted to Rs.5520/1/0 and the expenditure incurred by way of commission and rent is Rs.802/10/0. This works out to a rate of more than 14% while a flat rate of 12 % is now recommended. As the present terms are more advantageous, I request early orders of Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Ramachandra Rao

for Director.
(Absent from Headquarters on Tour).
